

MEDICAL HUMANITIES

# LIVING AND LEARNING: from personal experience to global health

Health experts  
boldly step out of  
their areas of  
research to speak  
about how their  
personal health  
challenges have  
informed their  
work and  
influenced their  
perspectives.

THURSDAY  
**MARCH 6**  
4:30 – 6:00 PM

**Mahindra Center  
for the Humanities**

Thompson Room  
Barker Center 110
